The first series of my first Comics! And it's the light I received from the wisdom of our earth, but for the time being...

From the start, I learned from the editors to draw with the image of a fake type of girl instead of real people.

The Pure-ish type of Girl

I hope you are as happy with it as I am!

PURE

It became so important that it seemed as if I barely had any work, so I had fun drawing it ^^ ♡
